

# PHOENIX GARDENERS NEWSLETTER

APRIL 2023

We are now in British Summer Time and the extra daylight is very welcome – tha lot to look forward to in our gardens.

**Our Coffee Morning** was a very enjoyable occasion. It was well attended and we raised over £600 which will buy a lot of plants and tubs.

**St Michael's Park** - a herb garden has been planted up by the children from Paternoster School under Meg's guidance. The children will be looking after the herbs by themselves.

**Brewery Court** – As part of the CDC plan to smarten up this general area, we have planted up the raised bed at the back of Waterstones and the troughs by New Brewery Arts. Have a look at our Facebook page for some pictures.

**Tubs** – we are getting lots of compliments about the tubs around town which are currently putting on a very colourful display. Some new tubs are soon to be placed outside the library thanks to some sponsorship from Gardiner Haskins. The tubs will be looked after by the library staff.

**The Hanging Baskets** are at the nursery for planting up and we look forward to seeing them when they are ready to be displayed.

**Our Web-site** -has been re-vamped and the domain name is now [phoenixgardeners.org](http://phoenixgardeners.org)

**Our Plant Sale** is on Saturday 27<sup>th</sup> May. It would be great if you or any of your friends were able to donate some plants for us to sell.
